Vanessa Womack, MD
Board Certified, Internal Medicine

Steve Conley, PA-C
Board Certified, Physician Assistant

Kimberley Glenn, PA-C, MMSC
Board Certified, Physician Assistant

Dear Patients,

Northside Family Practice is sincerely grateful for your support. We are blessed that you have entrusted us with your healthcare. For the past 20 years I have had the pleasure of being your primary care doctor. It has been the honor of a lifetime. Regrettably, it is now time for that relationship to end. Effective February 1, 2023, I will no longer be seeing patients at Northside. The time has come for me to spend more time with my family, focus on personal health issues, and pursue my passion of assisting veterans with their VA benefits cases.

While I will miss the opportunity of being your primary care physician, you can be assured that all Family Medicine services will continue to be provided and remain well staffed by our team. Please contact Northside Family Practice at (770) 517-2145 to schedule an appointment or to address any practice concerns.

I will also continue to assist and work with any and all veterans on their respective cases outside of the office. This relationship is unchanged. Please call (470) 568-7870 if you have any VA related questions. Once a medical release form is signed by the veteran this information will be sent to me and we will proceed with your case as planned. Outcomes will be enhanced as I will have more time to commit to this cause.

In conclusion I am reminded of the old saying that beginnings are happy, endings are always sad, but it's the middle that matters the most. I will choose to remember the good times, stimulating conversations, and wonderful relationships that were forged over the past 20 years with each of you. I gave you my best and wish the same to you and your families. May God bless you all.

Sincerely,
Dr. Kyle Mitchell
